

Andy Meeker

Chief Estimator/Project Manager
12 Years of Experience

“Flaherty & Collins has the reputation for delivering high-quality projects on time and on budget to clients. To be a part of the team of individuals across the company who contribute to the continued success and growing reputation of Flaherty & Collins is something to which I am extremely proud.”

Responsibilities

Andy’s primary responsibilities include verifying quantities and costs on all Flaherty & Collins projects coming through the pipeline. He works with the Pre-Construction team to look for value engineering opportunities throughout the design phase. Andy is also responsible for all phases of the construction process on the projects he manages. Including site development, contractor selection, contract negotiations, quality control, scheduling, and owner acceptance. He is currently responsible for the Promenade at Beavercreek Project in Dayton, OH.

Professional Experience

Andy has had a successful career and his experience inside and outside Flaherty & Collins spans more than a decade. It includes:

Centex Homes – Indianapolis, Indiana
Estimating Manager

Byrum Builders – Anderson, Indiana
Operations Manager
Commercial Division Manager
Remodeling Division Manager

Carter Lumber – Pendleton, Indiana
Outside Sales

Lowe’s Home Centers – Anderson and Indianapolis, Indiana
Outside Sales

Accreditations/ Organizations

Madison County Builders Association – Anderson, Indiana

Education

Indiana University, Bloomington, IN

Personal

Andy is married with three children. He is an avid outdoorsman who loves to hunt and fish. He plays golf whenever possible, and loves to spend time with his family.
