

Jason P. Schoettle

Construction Project Manager
11 Years of Experience

“At Flaherty & Collins, we have a long list of satisfied customers and residents because of our pride in building top quality projects. We also understand that ‘past successes do not resolve today’s challenges’ and we will continue to work tirelessly to ensure that each project that has our name attached to it will exceed the high standards we have set.”

Responsibilities

Jason manages day to day site construction. This includes scheduling and coordinating all site activities. His current project is a 218-unit apartment community with five-story parking garage, 20,000 feet of retail space, and resort style swimming pool/fitness center.
