

## ALMA D. SLASH

**Regional Property Manager**  
**32 Years of Experience**

---

*“One of my main priorities is to develop employee skills through personal encouragement, guidance, and team building. I believe that this kind of mentoring creates a professional environment that not only fosters growth and success for individual staff members, but for the company as well.”*

---

---

### Responsibilities

Alma directs the daily property management functions for a 350-unit subsidized multi-family community in addition to four tax credit properties which include various sites. Her responsibilities include leadership, supervision and training, marketing and leasing, asset preservation, and administration.
